

**MyHLS (<http://myhls.law.harvard.edu>)**

MyHLS is the online course management system used at HLS. You will use this tool frequently, as it contains:

- ✓ Course websites, including course assignments, messages from faculty, and course-specific library resources
- ✓ Important community and administrative announcements
- ✓ Your unofficial transcript (this is where you will see your grades after each term)
- ✓ Course evaluations
- ✓ Links to HLS resources and guides

You should begin to familiarize yourself with MyHLS as soon as possible, as it is a tool that you will need immediately at the start of the term. By the third week of August, your course enrollment information will be available on this site, and you will be able to view the web pages for your personal course schedule.

*Note: the course schedule that you see on MyPlan is your **official** course schedule, even if you are enrolled in different course websites on MyHLS. If you have any questions about differences between the two, please contact the Registrar's Office.*

To log on to MyHLS, use your HUID and Harvard-issued PIN. If you have received your HUID but have not set (or have forgotten) your PIN, you can request a new one at [www.pin.harvard.edu](http://www.pin.harvard.edu). If you have not yet received your HUID, please email the Admissions Office. JD Admits: email [1L2B@law.harvard.edu](mailto:1L2B@law.harvard.edu); LLM and SJD Admits: email [gpadmit@law.harvard.edu](mailto:gpadmit@law.harvard.edu).

For more information about email accounts, usernames, passwords, HUIDs, and PINs, please visit <http://www.law.harvard.edu/administration/its/students/admit.php>.
