

MyPlan (<https://myplan.law.harvard.edu>)

MyPlan is the online enrollment management system used at HLS. You will log on to MyPlan when you need to:

- ✓ View or print your course schedule
- ✓ Bid for courses during course registration
- ✓ Add or drop courses from your schedule
- ✓ Manage your course waitlists
- ✓ View or print your anonymous exam ID number

As a 1L, you will not need to access MyPlan until elective registration (late October), unless you have a personal need to view or print your individualized course schedule. Newly admitted LLMs will begin using MyPlan in June to bid for courses.

To log on to MyPlan, use the username and password that you've set up for your email account. If you haven't received your username and password in your Admissions packet, please email the Admissions Office. JD Admits: email 1L2B@law.harvard.edu; LLM and SJD Admits: email gpadmit@law.harvard.edu.

Full documentation on using MyPlan can be found at <https://myplan.law.harvard.edu/docs/>.
