Comments: *The State Elections Enforcement Commission is actively seeking qualified law clerks, undergraduate, graduate, and post-graduate students to participate in our internship program. This program is designed to allow students to work with staff to design a field practicum level program that will not only meet individual needs, but provide an opportunity to enhance academic, professional, and career development skills while achieving our program and project goals.*

Interns will have the opportunity to complete numerous projects, including, but not limited to: conducting research of current and proposed legislation; assist in preparing the department's legislative package; preparing press releases; monitoring media about the Program; and assisting in the development of our legal research database. Proper supervision and personalized intern projects provide opportunities for individual interns to gain in-depth knowledge and training in areas that they find personally interesting.

Comments: *Hiring for summer position. This is a three month program beginning in early March and running through May. This year the tentative dates are from Mar. 9-Aug.14, 2010. The program is designed to give students exposure to the work environment of a Public Defenders' office, including courtroom appearances and legal research. It is required that all Post-Bar Volunteers be certified by the California State Bar. Post Bar Volunteers are either assigned to work in the Central Misdemeanor Unit, or to work with a seasoned felony attorney. Those assigned to the CMU can expect to handle cases from arraignment through jury trial under the supervision of a trial attorney. Those assigned to work with a felony attorney can expect to participate in litigation of serious felony cases, such as homicides and death penalty matters. Competition for these positions is intense and we expect that the Post-Bar volunteer give a commitment of 40 hours a week. These positions are not paid. Please submit all paperwork by November 20th, 2009.*
