

Health Law Policy Workshop

Fall term, [Block K](#)

Th 5 PM - 7 PM

Professor Einer Elhauge

2 classroom credits LAW-94530A Fall

This class will feature the presentation and discussion of cutting edge scholarship on health law, health policy, biotechnology and bioethics. Speakers for this first year include Dan Brock, Dan Carpenter, Amitabh Chandra, Norman Daniels, Frances Kamm, Dan Kessler, Russell Korobkin, Anup Malani, Arti Rai, Mark Schlesinger, and David Studdert. Before each class, students must submit brief written comments on the paper. Because the papers are different every term, students can take the class as many times as they wish. Enrollment is mandatory for student fellows of the Petrie-Flom Center.
