

Justice for Palestine at Harvard Law School

Presents:

Report Back:

A personal look at health and human rights in Gaza
and the West Bank

With Dr. Alice Rothchild

of Visions of Peace with Justice in Israel/Palestine and the Jewish
American Medical Project

Join peace activist **Dr. Alice Rothchild** as she reports on the current situation in the Occupied Territories, the public health impact of the continued military presence, and visions for coexistence. Dr. Rothchild serves on the steering committee for Visions of Peace with Justice in Israel/Palestine and recently served on a medical delegation to Israel and the Occupied Territories with the Jewish American Medical Project. A Boston-based physician, she has sought to build alliances between Israelis and Palestinians in opposition to Israeli policies of occupation.

For more information on Dr. Rothchild's peace activities and organizations, visit:
